

# CORREGIDOR TOUR (7 Hours)

Middle side Barracks

Battery Crockett disappearing gun

Battery Way

Malinta Tunnel

This guided island tour explores the historic island of CORREGIDOR. Located 25 miles West of Manila, Corregidor served as one of the most vital harbor defense of Manila during the war. Even as far back the Spaniards saw its strategic importance. Some of the points of interest included are the various gun batteries, Mile-long barracks; Pacific War Memorial and the famous Malinta Tunnel where guests have the option to experience the Lights and Sounds Multi-Vision Show. From Manila, guests will board a luxurious ferryboat which will bring them to the Island in just an hour. Upon arrival, visitors will board the pre-war type streetcars called “Tranvias” that will bring them around the island fortress.
